

Bountiful Bra Project - a project of Charlotte County Cancer

Details and inspiration on our website: www.charlottecountycancer.com

Contacts: Bertha Day: 529 8837

June Cable: 755 3388

Paulette Holder 466 2078

Project Goals: increase breast cancer awareness and raise funds to help support cancer patients in Charlotte County.

“Neighbours helping Neighbours”

Registration Requirements

- Use a padded bra with under wire as a base for your design – **used bras must be in good condition.**
- There are no parameters for theme or design. The more embellishments, different techniques, and different mediums used will result in a more exciting exhibition.
- The bra may be hand-painted, dyed, pieced with fabric, embellished with beads and jewelry, etc. Your designs may be bodacious, funny, pretty, saucy or deliver a message - let your imagination and creative juices run wild, but with good taste, please. **Decorations may not be perishable.**
- The opening in the bra should still work – do not stitch it closed. We may be able to find a few brave models to flaunt some of these bountiful bras!
- Each completed bra must be arranged on a padded hanger to best display the finished piece and should be lightly sewn (tacked) to the padding to facilitate hanging.
- A label with the creator's name and the bra title must be attached to the inside of the bra.
- Please make certain that your bra is designed to withstand handling and exhibition.
- Bra 'Drop Off' can be from June 1/09 to January 31/10 to be included. Early 'bras' will be used for various promotional events throughout the year. **Early submissions will help promote the cause even more.**
- All bras become the property of the Charlotte County Cancer Society and will be used for fundraising and exhibitions. The committee reserves the right to refuse to display any bra that does not meet the guidelines listed above.

YOU MAY DROP OFF COMPLETED CREATIONS AT:

St Andrews	...	Bertha Day Gallery, 275 Water St	Phone: 529 8837
St George	...	Crafty Creations, 17 Main St.	Phone: 755 7706
